

Don't Trick Your Fog Machine. Give it a Treat.

It takes more than a well-built fog machine to create a realistic looking haunted house. The right fog fluid is essential to creating a spine-chilling atmosphere and achieving optimal performance from your fog machine. Using Ultratec's Haunt Fluid will ensure you create spooky unnerving effects, all night, every night.

Halloween Haunt Fluid creates a gray white fog with a medium to long hang time and can be used for all of your haunt attraction fog effects. **Maximum Value Fog Fluid** has a medium white fog and a medium hang time. It is a great economical solution for your everyday fog needs. Both of these fluids can be used with any fog machine.
